### NHS applicants

Applicants who work for NHS Trusts within the NHS London area must obtain their manager's signature as well as the signature of the Trust's named authorised signatory.

Applicants who work for organisations who are not currently funded through the NHS London CPPD contract for education and training must ensure that their application form contains full sponsorship details as appropriate.

### Submitting your application

Application forms must be returned EIGHT weeks prior to the commencement of the module. Once we have received enough applicants to make the module viable we will send you a letter with course dates, times, venue and registration requirements.
