## Learning Disability

### Delivering Health and Social Care to People with a Learning Disability: Getting it Right, Making it Better

#### MODULE SUMMARY

People with learning disabilities are among the groups most often excluded from society. This module focuses on what needs to be done to deliver a service of equality and transform lives. It is rooted in the over-arching aim of designing and delivering public services and support that meet people's individual needs.

This means improving health and social care support; ensuring that they are able to access education, work and leisure opportunities; and giving them the same opportunities as anyone else to live where they want, with whom they want and in safety.

#### ENTRY CRITERIA

- This module is for health, social care and educational practitioners

#### ASSESSMENT

- Teaching package

#### NUMBER OF CREDITS AND LEVEL OF STUDY

15 credits at Level 5 or 6

#### MODULE LEADER

Robert Stanley

This module consists of five days.
