

**MSc Nursing/Registered Nurse**  
**Interview and selection day programme**  
**Afternoon**

**13.30 Registration and Welcome**

Please have to hand your photographic identification document and one copy of the photographic identification document to give to the administrator welcoming you

**13.40 Presentation – Being a student nurse at Kingston University and information about your MMI interview**

**13.55 Groupings for multiple-mini interviews**

You will be placed into groups of 4 people and allocated your timeslot.

**14.00 Essay**

MSc students are required to undertake a short assessment essay of 20 minutes duration and therefore will be not slotted into the first interview slot which starts at 14.00

\*The interviews are 20 minutes long and are run at 30 minute intervals. There are 4 candidates per group and 2 groups running simultaneously, meaning that there are 8 students being interviewed in total in each timeslot.

While waiting for your timeslot you are free to explore the University campus, however you must return to the base room 15 minutes before the timeslot allocated to you. If you miss your timeslot we may be unable to interview you.

After your interview, you are free to leave. Interviews will be finished by 16.30hrs at the latest.
